

Business Partner Prize Draw

- Names of all IBM Business Partners who completed our online survey are automatically entered into the drawing. **If you have completed the survey, your name has been entered in the drawing.**
- Business Partners who have not completed the questionnaire but have been invited to participate in the survey (i.e. received an invitation to participate from globaltestmarket.com between October 1, 2005 and December 31, 2005) are eligible to participate in the prize drawing by contacting our survey vendor at frontdesk@globaltestmarket.com and submitting a request to be included in the drawing. Upon receipt of request, their names will be added to the pool of eligible names.
- At the conclusion of the survey process, a list of eligible Business Partners' ID numbers will be randomly drawn in sequence to develop a list of randomly selected ID's of winners.
- Winning ID's will be matched to Business Partner names and addresses.
- Winners will be notified by telephone and e-mail sometime during December, 2005.
- Prizes will be shipped by a method where delivery can be tracked and a receipt provided.
- If you have any questions regarding the drawing or final results, contact us at 703-390-9330 x202.
